# What is AIESEC?

“We are **global, independent, non-political** and **not-for-profit**. We do not discriminate on the basis of gender, sexual orientation, disabilities, creed, religion, nor on the basis of national, ethnic, or social origin.”

## Global.

Our presence in over 100 countries and territories around the world makes us *global*.

## Independent.

As an organized group of people who works to pursue a charitable goal locally, nationally and globally *we are independent*.

## Not-for-profit.

All money earned or donated to AIESEC is used to further the goals of the organization and keep it running, which is why we are a *not-for-profit organization*.

## Non-Partisan.

AIESEC's mission and activities are not directly related to or motivated by politics; this is why *we are not-political*.

## *WHY & WHO*

### **Our goal**

Peace and the Development of Human Potential

We aspire to build a world in which people can live by virtue of their conception of "peace," but with awareness and respect for the opinions of others. Furthermore, we aspire to live in a society in which everyone can develop fully as a human being, where everyone can be the best version of himself.

## *HOW & WHAT*
