The study plan is not to be modified. Students can apply for an exception but they have to submit a valid motive. When a student submit a change which is not proposed in a standard study plan, the study plan became an individual study plan. In order to do so, draw a line on the subject you wish to change, add the new subject in the orange boxes at the end of the study plan. Insert the progressive number assigned to the subject you wish to change. Please note that a revenue stamp of 16€ is due to apply for an individual study plan. This new plan will have to be approved by the committee designated by the competent Teaching Council.
